## **MOBILE:** Receive and Document Your COVID-19 Vaccines

Earn up to 480 well-being incentive points by receiving your COVID-19 vaccines\* by 11.30.21. Be Well SHBP<sup>®</sup> members and covered spouses must complete their RealAge Test to earn the reward.

Log into your <u>Sharecare/Be Well SHBP</u> account online or through the Sharecare app.

## MOBILE: Receive and Document Your COVID-19 Vaccines (cont'd)

After your COVID-19 vaccination records are entered into your account AND you have completed the RealAge Test in 2021, you have earned your well-being incentive points for the year, which you'll see in the Rewards section.

**Important Note**: You can earn a maximum of 480 well-being incentive points in 2021. If you have already received all or part of your well-being incentive points, you will only receive well-being incentive points up to the yearly maximum of 480. The same is true for a covered spouse.

## DESKTOP: Receive and Document Your COVID-19 Vaccines

**3.** Type "COVID" in the search bar and scroll to find/select the vaccines you received. (Note: the Johnson & Johnson vaccine is listed as "Janssen").

For a 2-dose vaccine, you will need to go through this process for each dose.

**4.** Enter the date of service from your COVID vaccination card and hit "Add".

For 2 dose-vaccines, repeat steps 3 & 4.

COVID-19 Vaccination (Pfizer-BioNTech) 1st dose COVID-19 is a disease that mainly affects the lungs and breathing. It can cause life-threatening illness in some people. COVID-19 infections are caused by the coronavirus SARS CoV-2. The virus started an ongoing global pandemic in 2020. It is spreading in most places in the US. Some COVID-19 vaccines have received emergency approval for use in older adolescents and adults. One to two doses of the COVID-19 vaccines that are in use in the US are extremely effective in preventing COVID-19...
