# It's Game Time!

Jump Shot for Health is a four-part steps challenge that provides an opportunity to make a difference for Georgia students, just by taking walk.

1. Log in to your Sharecare account or register today at **bewellshbp.com**
2. Navigate to Challenges and join the Jump Shot for Health steps challenge
3. Select the finalist school team you'd like to support with your steps
4. Sync your fitness tracker and log in weekly to ensure your steps are being tallied

Every step you take will help your team rise to the top of the leaderboard for a chance to win the grand prize: a basketball court refresh. Participants with the highest step counts will also have the chance to win individual prizes.
