

JUMP SHOT for Health

Anthem SHBP sharecare BeWell

It's more than a walk. It's a movement.

We're stepping up for our students. You in?

The Jump Shot for Health steps challenge is underway, and we're forming walking groups to help motivate each other and rally our team to the top of the leaderboard.

Every step you take helps our school get closer to winning a basketball court makeover and increases your odds of winning an individual prize.

Join your fellow colleagues as we help our students and move toward a healthier, more connected workplace together—it's a win-win.

You're invited to join our walking group launch to learn more and sign up for the Jump Shot for Health Challenge.
